

Arboriculture & Landscape Seminar

Cornell Cooperative Extension of Monroe County is hosting an Arboriculture & Landscape Seminar for arborists, landscapers and nursery professionals. With the Emerald Ash Borer on our doorstep the insect's current status will be presented:

- Results from the 2009 trapping season
- Biological monitoring and management situation
- Chemical management situation
- Diagnostic lab summary
- This seminar has a recertification training application pending with NYS DEC in categories: 1a, 2, 3a, 9, 10, 25, recertification credits for Certified Nursery Landscape Professionals and ISA CEU's.
